

REPRODUCTIVE RIGHTS RESOURCES

This list includes national and local organizations, as well as media resources, so you can stay informed and take action on reproductive rights.

Actions you may take include: staying informed on developments, signing up for email alerts, attending protests, donating much-needed finances, volunteering, following on social media, and writing postcards and making phone calls during elections.

An important way to stay informed is to join our Temple Sinai Reproductive Health and Rights google group and receive our newsletter. Contact Jenny Cohen at jcohen@templesinaidc.org to sign up.

Organizations with volunteer opportunities are marked with asterisks (**) and include a link to the relevant page on their website. More detailed information on volunteer opportunities can be found on the Davis Center website at <https://daviscenter.org/repro-volunteer/>.

ORGANIZATIONS

Abortion Movement Fund – <https://abortionmovementfund.org/>

The Abortion Movement Fund is a rapid response vehicle which accepts large charitable gifts (> \$5,000) from foundations, individuals, and private sector donors. These resources are deployed by and for the organizations providing practical support for abortion (e.g., travel, lodging, childcare).

****ACLU of the District of Columbia** – <https://www.acludc.org/en>

Abortion Access Blog: <https://www.acludc.org/en/news/what-know-and-do-about-abortion-access-dc>. What to know and do about abortion access in DC.

Volunteer Information: <https://www.acludc.org/en/volunteer>

ACLU Reproductive Freedom Project – <https://www.aclu.org/issues/reproductive-freedom>. The ACLU works to ensure that every person can make the best decision for themselves and their family about whether and when to have a child without undue political interference.

American Society for Reproductive Medicine – <https://www.asrm.org/> Excellent source of information and education for patients and health professionals about a wide variety of reproductive health topics, including IVF and access to care. Advances reproductive medicine through education, research, and advocacy.

Americans United for Separation of Church and State – <https://www.au.org/> A nonpartisan, not-for-profit educational and advocacy organization that brings together people of all religions and none to protect the right of everyone to believe as they want — and stop

anyone from using their beliefs to harm others. They fight in the courts, legislatures, and the public square for freedom without favor and equality without exception.

****Baltimore Abortion Fund** – <https://www.baltimoreabortionfund.org/>

A mutual aid, grassroots, nonprofit organization that provides financial assistance and practical support to people who live in or travel to Maryland for abortion care.

Volunteer information: <https://www.baltimoreabortionfund.org/volunteer>. Part of Temple Sinai's ongoing fundraising campaign for abortion rights—see <https://daviscenter.org/repro-donations/>

****Center for Reproductive Rights** – <https://reproductiverights.org/>

A global human rights organization of lawyers and advocates who ensure that reproductive rights are protected.

Volunteer Information: <https://reproductiverights.org/get-involved/act/>

****DC Abortion Fund** – <https://dcabortionfund.org/>

The DC Abortion Fund makes grants to pregnant people in the DC area as well as those traveling to the area who cannot afford the full cost of an abortion.

Volunteer Information: <https://dcabortionfund.org/volunteer/>

****DMV Practical Support Network** – <https://dapsn.wordpress.com/>

DAPSN provides transportation, housing, and escorts to individuals seeking abortion care in DC, Virginia, and Maryland.

Volunteer Information: <https://dapsn.wordpress.com/volunteer-with-dapsn/>

EMAA Project (Expanding Medication Abortion Access) – <https://emaaproject.org/>

The EMAA Project seeks to improve the way the medications prescribed for medication abortion care are dispensed in the United States, to make the process consistent with the medical and scientific evidence and to meet women's needs.

Guttmacher Institute – <https://www.guttmacher.org/>

Research and policy institution committed to advancing sexual and reproductive health rights worldwide. Excellent source of abortion statistics, both in the US and internationally.

****If/When/How** – <https://www.ifwhenhow.org/> A network of lawyers, law students, legal professionals and movement organizers who are working to make reproductive freedom a reality for all through advocacy, support and organizing.

Volunteer Information: <https://www.ifwhenhow.org/reproductive-justice-lawyers-network/>
Part of Temple Sinai's ongoing fundraising campaign for abortion right—see <https://daviscenter.org/repro-donations/>

I NEED AN A – ineedana.com Provides a simple, up-to-date, localized source of information for people seeking abortions across the country. From their national data base, they show people their closest clinics, abortion funds, and practical support networks.

Lawyering Project – <https://lawyeringproject.org/> Works throughout the United States to improve access to reproductive health care by providing legal representation to health care providers, advocates, and people seeking abortion care.

****NARAL Pro-Choice America** – <https://www.prochoiceamerica.org/> For over 50 years, NARAL has led the fight for reproductive freedom, including the right to access abortion. NARAL volunteers across the country are fueling the fight at both the state and federal levels to pass proactive legislation that expands access to abortion care and to block efforts that further erode our freedoms.

Volunteer Information: <https://act.prochoiceamerica.org/a/nat-volunteers-23>

National Abortion Federation – <https://prochoice.org/> The professional association of abortion providers, advocates, and individuals which supports abortion providers in delivering patient-centered care. Their National Abortion Hotline provides direct service to patients who need help accessing abortion care, including accurate information, referrals to quality providers, and financial assistance.

National Council of Jewish Women – <https://www.ncjw.org/work/reproductive-healthcare-access-equity/> Excellent source of information on abortion rights. Website includes the *Abortion and Jewish Values Toolkit*, a guide for protecting abortion rights and access informed by Jewish values. NCJW's Jewish Fund for Abortion Access is part of Temple Sinai's ongoing fundraising campaign for abortion rights—see <https://daviscenter.org/repro-donations/>

National Network of Abortion Funds – <https://abortionfunds.org/> Builds power with members to remove financial and logistical barriers to abortion access by centering people who have abortions and organizing at the intersection of racial, economic, and reproductive justice. Connects individuals who want an abortion with organizations that can support their financial and logistical needs.

National Partnership for Women & Families – <https://nationalpartnership.org/health-justice/reproductive-rights/> NPWF's mission is to improve the lives of women and families by achieving equality for all women and to give every woman access to the full range of reproductive health information and services, including abortion care and contraception.

National Women's Law Center – <https://nwlc.org/issue/abortion/> The National Women's Law Center fights for gender justice—in the courts, in public policy, and in our society—working across the issues that are central to the lives of women and girls.

****Planned Parenthood of Metropolitan DC** – <https://www.plannedparenthood.org/planned-parenthood-metropolitan-washington-dc> Provides reproductive health care services and advocacy in the DC metro area. Volunteer Information: <https://www.weareplannedparenthood.org/a/ppmw-volunteer-sign-form>

****Planned Parenthood National** – <https://www.plannedparenthood.org/> Delivers vital reproductive health care, sex education and information to millions of people worldwide. Advocates for reproductive rights and health equity.

Volunteer Information: <https://www.plannedparenthood.org/get-involved/jobs-and-volunteering/volunteer>

Power to Decide – <https://powertodecide.org/> Advances sexual and reproductive well-being for all by providing trusted information – backed by research -- on sexual health and contraceptive methods so young people can make informed decisions.

Religious Coalition for Reproductive Choice – <https://rcrc.org/> A multifaith, intersectional, and antiracist movement for reproductive freedom and dignity leading in spiritual companionship, curating frameworks for faith leaders, and training the next generation of activists.

Resolve (The National Infertility Association) – <https://resolve.org/> Provides access to care, information and advocacy for legislation that improves access to all family building options. Fights for women’s health priorities and supports keeping IVF legal. Includes information about infertility issues and how to take action.

RHITES (Reproductive Health Initiative for Telehealth Equity & Solutions) – <https://www.rhites.org/> RHITES serves as a resource and convener among the telehealth and reproductive health, rights, and justice communities to bridge equity gaps and integrate equitable policy and advocacy strategies in reproductive telehealth solutions.

****Washington Area Clinic Defense Task Force** – <https://www.wacdtf.org/> Provides escorts to ensure a peaceful and reassuring presence for patients, their companions, and staff, at several local clinics.

Volunteer Information: <https://www.wacdtf.org/training-interest-form/>
